## New phase

- Based on a great genetic we want to lead with innovation in the added value and helping the customers closely.
- Dynamic and coordinated team that works close to our customers.
- We work to show you the economic value of our birds.

## H&N around the world

**We want  
to be back**

# Information point

The screenshot shows the top section of the H&N International website. At the top left is a blue 'MENU' button. To its right is the H&N International logo. The navigation menu includes 'LAYERS', 'PARENT STOCK', 'THE CHICKIPEDIA', 'CAMPUS', and 'ORDER ONLINE'. On the right side, there is a search icon, a 'SIGN IN VIP LOUNGE' button with a key icon, and links for 'Legal notice' and 'Privacy'. The main banner features the H&N International logo and the text 'Genetics and more'. Below this, there is a colorful illustration of two chickens (one white, one brown) standing on a globe with various city buildings, a hot air balloon, and an airplane. Three main content areas are highlighted: 'About H&N Layers for egg production', 'Get H&N Parent Stock', and 'The Chickipedia'. At the bottom of the banner, there is a blue bar with 'Cookie Settings', 'LATEST NEWS', 'EGGSPEDITION', and 'ALBUM | THE OVAL EGGSPEDITION'. An 'INFO' icon is also visible in the bottom right corner of the illustration.

# The Chickipedia
